## Turn to the Truckee Donner Public Utility District for Your Energy Conservation Needs

The energy conservation cash rebate programs and energy surveys are only a few of the ways the District can help you save energy at your home or business. We also offer:

- Energy Conservation Hotline, 582-3931
- Home and Business Energy Surveys
- Community Conservation Workshops
- Community Conservation Seminars
- Presentations to Organizations & Schools
- Tours of Energy-efficient Buildings

When you save energy, the whole community wins. Turn to the Truckee Donner Public Utility District for energy and money saving ideas. [www.tdpud.org](http://www.tdpud.org)

Mail or deliver to Truckee Donner Public Utility District at P. O. Box 309 (11570 Donner Pass Road), Truckee, CA 96160, (530)582-3931

## Energy Conservation Cash Rebate Programs

# Energy Conservation Rebate Programs

## How to Qualify

Now it's easier than ever to save energy and lower your energy bills. Just sign up for one of our energy conservation cash rebate programs!

### Appliance Program

Energy Star Clothes Washers, Dishwashers and Refrigerators qualify for a \$100 rebate each.

### Building Efficiency Program

Building Envelope Air Leakage Test qualifies for \$75/building tested

Building Envelope Air Leakage Mitigation qualifies for \$250 rebate, up to 50% of project cost

Central Air Distribution Leakage Test qualifies for \$75/building tested

Central Air Distribution Air Leakage Mitigation qualifies for \$250 rebate, up to 50% of project cost

### Lighting Program

**Residential-** \$2/bulb rebate for replacing incandescent light bulbs with fluorescent light bulbs; not to exceed total bulb purchase price. Minimum purchase and installation of 5 CFL's per multi-family with a maximum incentive of \$50 to participate in program. Minimum purchase and installation of 10 CFL's per single-family with a maximum incentive of \$100 to participate in program

**Commercial-** TDPUD pays 1/3 project cost for high energy efficiency lighting retrofits; TDPUD's share not to exceed \$10,000.

### Space Heating Program

Ground Source Heat Pumps- \$200/ton for CA manufacturer approved electric GSHPs.

### Water Heating Program

High Efficiency electric Water Heaters- TDPUD pays \$2/gallon for new, qualifying electric water heaters. **Water heaters 60 gallons or greater must have an Energy Factor of .91 or 91% or higher. Water heaters 59 gallons or less must have an Energy Factor of .93 or 93% or higher.**

- You must be a District electric customer.
- Water only District customers may qualify for a clothes washer or dishwasher rebate.
- Must have purchased and installed the equipment in your business or residence after May 16, 2007.
- Complete and submit a conservation cash rebate program application to the District with proof of purchase.
- Allow an inspection of your equipment and/or measures by an authorized District representative.

If you have questions or would like more information, call the District's Conservation Specialist at (530)582-3931.

Some program limitations apply. All rebates are at the discretion of the District.
